**STATEMENT**

The Tribunal has decided on an interim placement of Air Traffic Controllers (ATC) as follows:

- On achievement of initial primary ATC endorsement – Pay Grade 3.
- On achievement of initial primary Training Officer standard or Supervisor endorsement – Pay Grade 4.
- On achievement of one primary endorsement in each of Tower and Radar elements AND achievement of two Training Officer standards in two primary endorsements, OR two Supervisor endorsements, OR an ATC instructor qualification – Pay Grade 6.

We will review these pay grades in the context of the wider Graded Officer Pay Structure which is listed for hearing on 8 and 9 May 2007.

The date of effect for the placements shall be on and from 8 February 2007.

The parties should provide the Tribunal Secretariat with a draft determination within fourteen days.

We will publish our reasons for decision shortly.
