

DEFENCE FORCE REMUNERATION TRIBUNAL

MATTER NO 5 OF 2007

**REVISED REMUNERATION ARRANGEMENTS
FOR WARRANT OFFICER CLASS 1 (EQUIVALENTS)**

STATEMENT

Following discussions with a broad range of Warrant Officer Class 1 (Equivalents) on 25 May 2007 the Tribunal encouraged the Australian Defence Force (ADF) to provide a submission on a revised salary structure and placements for Warrant Officer Class 1 (Equivalents) including the Service Warrant Officers.

The ADF and the Commonwealth provided a joint submission on 4 July 2007.

Having considered the material submitted and with the benefit of discussions with Warrant Officer Class 1 (Equivalents) we have decided to approve the structure and placements as sought. The proposal provides recognition of the important work of these senior ADF members.

The date of effect of our decision shall be on and from 9 August 2007.

The Tribunal will make the appropriate determination shortly and we will publish our Reasons for Decision in due course.
